Security Risks: The Hotel industry demands peace at all times to flourish. The biggest villain in South East Asia has been terrorism supplemented by political instability. The security concerns have been duly addressed instilling confidence in the customer by providing international standards of safety.

We have audited the accompanying standalone financial statements of Aruna Hotels Limited, which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement, and a summary of the significant accounting policies and other explanatory information for the year then ended.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the preparation of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

***Basis for Qualified Opinion**

- i) Company has received advances towards share capital but shares were not issued since it is under listing process and will issue shares after listing at stock exchange. The same is not in conformity with the provisions of the Companies Act, 2013.
- ii) The closing balances of parties from whom loan was taken and from creditors and debtors are subject to confirmation and reconciliation.
- iii) The company is in the process of updating the details of various litigations filed by the third parties; hence we cannot ascertain the liability arising on those litigations.

ARUNA HOTELS LIMITED

- iv) During our audit, we have come across several notices / demand notes issued by various statutory authorities **Following are the notices and demand issued to the company during the financial year 2015-16:**
- a. IncomeTax notice received for AY 2009-10&2012-13. Outstanding dues being -Rs 4,51,445 for AY 09-10 and Rs 2,73,32,590 for AY 12-13 against which appeal has been filed and outcome is pending.
 - b. The company has received a Show Cause Notice from the Service Tax Department for FY 2008-09 to FY 2013-14. The company has received a demand of Service Tax amounting to Rs 2,59,53,777/-. Following points may be noted in this regard:

 - ii. The company plans to approach the Service Tax Settlement Commission to get waiver of the penalties & pending dues upto FY 2013-14imposed by the Service Tax authorities
 - c. Sales Tax notice was issued for FY 2006-07 to FY 2011-12on account on non-payment of outstanding Sales tax & Luxury Tax. The company has appealed against the order with the Hon'ble High Court of Madras which has set aside the Assessment Order and has instructed the Sales Tax Department to conduct a fresh assessment of the outstanding Sales tax & Luxury taxes payable. The company has then received a provisional assessment notice from the Sales tax department mentioned as under.Contingent liability arises of Rs 78.33 Lakhs under TNLTH Act 1981 (Luxury Tax) andRs 1.24 Crores under TNVAT Act 2006 (VAT):

	TNLTH Act 1981	TNVAT Act 2006
Year	Balance yet to be paid	Balance yet to be paid
2006-07	50,005	9,36,638
2007-08	16,34,704	17,60,205
2008-09	11,08,621	14,60,448
2009-10	77,037	19,35,867
2010-11	7,54,051	9,10,601

- v) The contingent liability of the company towards the pending cases is not ascertainable as on date, but if the decision is unfavorable it would materially impact the cash flow of the company.
- vi) Based on our verification, information and documents provided for our verification,the company has recorded a loss during the year. Further, its total current liabilities exceed total current assets as on balance sheet date. The company is currently not operating and hence no income has been recorded. The validity of the going concern assumption on which the financial statements are prepared depends on the continuance of the ability of the company to generate sufficient cash flows from their operations. We do not have sufficient evidence to access whether the company's plans/projection would materialize.
- vii) The company has shown an amount of inventory as Rs 28.63 lacs which is the same as compared to FY 2014-15. However, based on our opinion the net realizable value of the inventory as on 31.3.2016 is negligible and needs to be written off.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

SIGNIFICANT ACCOUNTING POLICIES

1. The financial statements of the company have been prepared in accordance with Generally Accepted Accounting Principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards), Rules 2006, (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention.

2.1 Basis for preparation of accounts

The accounts have been prepared to comply in all material aspects with applicable accounting principles in India, the applicable Accounting Standards notified under Section 211(3c) of the Companies Act, 1956 and the relevant provisions thereof. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Revised Schedule VI to the Companies Act, 1956. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

2.2 Revenue Recognition

Income from services rendered is recognized as the service is performed and is booked based on agreements/ arrangements with the concerned parties. Interest on investments is booked on a time proportion basis taking into account the amounts invested and the Rate of interest.

2.3. Expenditure

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

2.4. Preliminary Expenses

Preliminary Expenses are amortized over a period of 5 years.

2.5. Investments

Investments are classified into current and long-term investments. Current investments are stated at the lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognize a decline, other than temporary, in the value of long-term investments. Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as non current investments.

2.6. Inventories

Raw materials and stores and spares have been valued at weighted average price. Cost includes taxes and duties, freight and other direct expenses.

2.7. Trade Receivables and Loans and Advances

Trade Receivables and Loans and Advances are stated after making adequate provisions for doubtful balances.

2.8. Provisions and Contingent Liabilities

A provision is recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provision is not discounted to its present value and is determined based on the best estimate required to settle the obligation at the year end date. These are reviewed at each year end date and adjusted to reflect the best current estimate. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.9. Retirement / Post Retirement Benefits

Short term Employee benefits, in respect of leave salary and reimbursement of medical expenses, the liability has been fully provided on undiscounted basis, in accordance with the schemes in force. The contribution to Provident Fund (defined contribution plan), as per the provisions of the Employee's Provident Fund and Miscellaneous Provi-

sions Act, 1952, is recognized as expense and remitted to the Provident Fund Commissioner. Expense and income of this year include amounts below Rs.1000/- in relation to earlier years, which are accounted on cash basis.

2.10. Current and Deferred Tax

There is no need to make provision for income tax, since the company has incurred a Loss during the current financial year. In our opinion the deferred (Asset) appearing in the Balance sheet is adequate. As such no further provision has been made towards deferred tax.

2.11. Foreign Currency Translations

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognized in the profit and loss account.

2.12. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

2.13. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.14 Dues To Micro and Small Scale Business Enterprises

The new management is in the process of identifying the creditors as per the MSMED Act 2006. In the absence of full details the amount due to them could not be determine.
