MANAGEMENT DISCUSSION AND ANALYSIS REPORT OVERVIEW OF THE INDUSTRY

India's vast population offers a considerable growth potential for the hospitality industry. The travel and tourism industry is a major contributor to the country's economic growth and employment generation. A growing middle class, rising disposable incomes and shift from foreign to domestic tourism are few macro growth enablers for the industry. The industry contributed 8% of the total employment (both direct and indirect) in 2017; and was the fastest growing among the G20 countries, growing by 9.4% in 2017.

Over the next decade ending 2028, investments in the sector are expected to grow at a compounded annual growth rate (CAGR) of 6.7% to USD 85.2 billion. Foreign tourist arrivals as well as the proportion of domestic travellers grew significantly during financial year 2017 – 18. According to the Ministry of Tourism, India's foreign tourist arrivals grew 15.6% over the preceding year to 101.77 lakh tourists.

Rising influx of foreign visitors via the e-visa facility was a key growth enabler. Implementation of a host of measures like extension of e-visa facility to 173 countries from 161 countries earlier, increase in the window for application of e-visa from 30 days to 120 days, increase in duration of stay on e-visa from 30 days to 60 days and allowing of double entry on e-tourist and e-business visa and triple entry on e-medical visa propelled this segment significantly. Tourism in India has significant potential considering the rich cultural and historical heritage, variety in ecology, terrains and places of natural beauty spread across the country. The industry has witnessed robust growth in recent years on the back of increased traffic of domestic travelers, rising commercial development and foreign tourist arrivals, a growing airline industry and government-led initiatives aiming to stimulate the sector.

MARKET OVERVIEW

Your Company is under Renovation process so unable to generate any revenue for the year under review. The Board of Directors has been on the move to revive the Company's business operation. They have implemented many significant business plans to revive the Company's business. On the whole, the Company's business is slowly picking up under the direction of the Board of Directors and it shall be able to be at par with its market competitors in the near future.

FINANCIALS

Your Company has incurred a loss before tax of Rs (1,396.36) during the year for the year 2017-18 as compared to loss before tax of Rs. (517.13) lacs in the previous year 2016-17.

RISK MANAGEMENT

Risks and Concerns

Economic Risks: Hotel business in general is sensitive to fluctuations in the economy. The hotel sector may be unfavorably affected by changes in global and domestic economies, changes in local market conditions, excess room supply, reduced international or local demand for hotel rooms and associates services, competition in the industry, government policies and regulations, fluctuations in interest rates and foreign exchange rates and other natural and social factors.

Socio-Political Risks: The Hotel industry faces risk from volatile socio-political environment, internationally as well as within the country. India, being one of the fastest growing economies of the world in the recent past, continues to attract investments. However, any adverse events such as political instability, conflict between nations, terrorist attacks or spread of any epidemic or security threats to any countries may affect the level of travel and business activity.

Security Risks: The Hotel industry demands peace at all times to flourish. The security concerns have been duly addressed instilling confidence in the customer by providing international standards of safety.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company's Internal Auditors carryout audit of the transactions of the Company periodically, in order to ensure that recording and reporting are adequate and proper. The Internal Audit also verifies whether internal controls and checks & balances in the systems are adequate, proper and up to date. Corrective actions for any weaknesses in the system that may be disclosed by the Audits are taken.

The Audit Committee of the Board reviews the important observations of the Internal Audit and suggests corrective actions for the management to implement. The Internal Audit team also assesses the risks facing the Company, steps taken to mitigate the risks and holds discussions with the management on the subject in order to create awareness of the risks and to take appropriate actions for reducing the impact and frequency of occurrence of the risks.

The Audit Committee of the Company meets periodically to review and recommend quarterly, half – yearly and annual financial statements of the Company. The Committee also holds discussions with the internal auditors, statutory auditors and the management on the matters relating to internal controls, auditing and financial reporting. The Committee also reviews with the statutory auditors, the scope and results of the audits.

HUMAN CAPITAL

The term human capital formation means, “The process of acquiring and increasing the number of persons who have the skills, education and experience which are critical for the development of the Company.” Modern technology is becoming more and more complex. With the growth of science, machinery and equipment are becoming more sophisticated. Their efficient operation requires skill and technical knowledge. Therefore capital development is very significant. Therefore, your Company endeavors to take a more strategic and supportive approach to recruiting and retention to find and retain the new breed of evolving talent.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report with regard to projections, estimates and expectations have been made in good faith. The achievement of result is subject to risks, uncertainties and even less than accurate assumptions. Market data and information are gathered from various published and unpublished reports; their accuracy, reliability and completeness cannot be assured.

To allow the shareholders to vote on the resolutions proposed at the AGM, the Company has arranged for a remote e-voting facility. The Company has engaged CDSL to provide e – voting facility to all the members. Members whose names appear on the register of members as on 13th September 2018 shall be eligible to participate in the e-voting. The facility for voting through ballot will also be made available at the AGM, and the members who have not already cast their vote by remote e-voting can exercise their vote at the AGM.

INVESTOR GRIEVANCE AND SHARE TRANSFER

We have a Board – level stakeholders’ relationship committee to examine and redress complaints by shareholders and investors. The status of complaints and share transfers is reported to the entire Board. For shares transferred in physical form, the Company provides adequate notice to the seller before registering the transfer of shares. The stakeholders’ relationship committee will meet as often as required to approve share transfers. For matters regarding shares transferred in physical form, share certificates, dividends, and change of address, shareholders should communicate with, MCS Share Transfer Agent Limited our Registrar and Share Transfer Agent.

Share transactions are simpler and faster in electronic form. After a confirmation of a sale / purchase transaction from the broker, shareholders should approach the depository participant with a request to debit or credit the account for the transaction. The depository participant will immediately arrange to complete the transaction by updating the account. There is no need for a separate communication to the Company to register the transfer.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF ARUNA HOTELS LIMITED**

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Aruna Hotels Limited, which comprise the Balance Sheet as at 31st March 2018, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order issued under Section 143(11) of the Act.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, its losses, its changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

“Annexure B” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements section of our report to the members of Aruna Hotel Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Aruna Hotels Limited as of March 31, 2018 in conjunction with our audit of the standalone ind as financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance

regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO :20 SIGNIFICANT ACCOUNTING POLICIES

A . CORPORATE INFORMATION

The Company was incorporated on 09th September 1960. The registered office of the company is located at 145, Sterling Road, Chennai, Tamil Nadu- 600034. The Principal activities of the company is to carry out business of developing, owning, acquiring, renovating, operating, managing and promoting hotels, restaurants etc.

B BASIS OF PREPARATION

B.1 Statement of Compliance

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis , the provisions of the CompaniesAct, 2013 ('the Act') (to the extent notified) and the guidelines issued by the Securities Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

The Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards, with April 1, 2017 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the year-end figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the year-end figures reported in this statement.

B.2 Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made.

B.3 Going Concern Assumption

The company is currently not operating and hence no operating income has been recorded since FY 14-15. The validity of the going concern assumption on which the financial statements are prepared depends on the continuance of the ability of the company to generate sufficient cash flows from their operations.

B.4 Functional currency & presentation currency:

The financial statements are presented in Indian Rupees (INR) which is the functional and presentation currency of the Company and all values are rounded to the lakhs with two decimals, except where otherwise indicated.

B.5 Measurement of fair values:

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The financial statements have been prepared on a historical cost basis, except for the following assets and liability which have been measured at fair value

i) Land and buildings

The Financial Statements have been prepared on accrual and going concern basis. All assets and liabilities are presented as Current or Non-current as per the company's normal operating cycle and other criteria set out in the Schedule III of the Act. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization, the company has ascertained its operating cycle as 12 months for the purpose of Current / Non-current classification of assets and liabilities.

B.6 Property Plant and Equipment

On transition to IND AS, the Company has elected to continue with the carrying value of all of its property plant and equipment, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property plant and equipment. For the purpose of financial statement the Company has provided the depreciation based on the estimated useful life and as the change in estimated useful life is considered as change in estimate, accordingly there is no impact of this roll back.

Capital work in progress is stated at cost less impairment. Plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Freehold land is not depreciated.

Depreciation on Plant, Property and Equipment

The depreciable amount of PPE (being the gross carrying value less the estimated residual value) is depreciated on a systematic basis over its useful life.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Fixed Assets	Useful life considered March, 2018	Useful life considered March, 2017
Plant & Machinery	15 Years	15 Years
Building	30 Years	30 Years
Office Equipment	5 Years	5 Years
Vehicles	8 Years	8 Years
Computers	6 Years	6 Years
Laptop	3 Years	3 Years

The Company, based on management estimates, depreciates certain items of building, plant and equipment over estimated useful lives which are lower than the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. Further the Company has considered the change in useful life as change in estimates.

De-recognition

An item of PPE is de-recognised at the time of its disposal or when it is assessed that no future economic benefit would accrue from it. The gain/ loss arising out of such disposal/retirement is taken to statement of profit or loss.

During the year ended on 31 March 2018, as a part of the ongoing renovation process, the company has scrapped a majority of its old plant & machinery, furniture and office equipment for Rs 93.22 lakhs, there was a loss of Rs 507/- lakhs on sale of assets which was charged to statement of profit or loss.

B.7 Financial Instruments

Trade receivables

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost net of any expected credit losses. Loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e., expected cash shortfall based on the management decision.

During the financial year 2017-18, there were no trade receivables as the company did not have any operations.

Impairment of financial assets

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The company applies the expected credit loss model for recognizing impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the company expects to receive).

De-recognition of financial assets

The company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company entity are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalized as a part of cost of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

During the financial year 2017-18, the company has not provided for the interest expense on certain unsecured loans as the agreements with these parties are pending for discussion and negotiation.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability

and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

B.8 Inventories

Stock of food & beverages, stores and operating supplies are initially recognized at the lower of cost and net realisable value (NRV). Cost of inventories includes non-refundable taxes, transport and handling costs and any other directly attributable costs, less trade discounts, rebates and similar items. NRV is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make sale.

During the year ended on 31 March 2018, the company has written off the inventory to nil.

B.9 Provisions

The company recognizes a provision when there is a present obligation to transfer economic benefits as a result of past events, it is probable (more likely than not) that such a transfer will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

B.10 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty. Goods & Service Tax (GST) is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

There has been no operations during the year and hence no income has been recognized from Operating Activities

Other revenues

Other revenue majorly comprise of rental income, written back of creditors and liabilities and other Income.

B:11 Employee Benefits

Short -Term Employeeen benefits

A liability is recognized for benefits accruing to employees in respect of salaries ,wages , performace , incentives , medical benefits and other short term benefits in the perios the related service is rendered at the undiscounted amountof the benefits expected to be paid in exchange for the service

Defined Benefit Plans and Defined contribution Plans

None of the employees are entitled to any post retirement benefits.Further , the Numberof employees are lower than statutory threshold for registration with PF and ESI . No Adjustment has been done in the financials with respect to defined benefit plans and defined cointribution plans asper the provision of AS-15in the financial statement for the financial year 2017-18.
